

The 'Shorthorn' Brief

Your Canadian Shorthorn Association News

The Canadian Shorthorn Association will be cancelling our June 20th AGM planned for Edmonton, Alberta, in order to follow government regulations and travel restrictions due to the COVID-19 outbreak.

Everyone's health and safety are our priority and 2020 will be a year like no other as everyone around the world deals with the challenges the pandemic has created. The agriculture industry is resilient and we know your work feeding cows and planting crops continues through these difficult times as many others have come to a halt.

The Alberta Shorthorn Association is looking forward to hosting us all next year, at the same venue in Edmonton, June 19, 2021.

Please watch for future email communications and check our web-site for the annual report which will be available later in June. Please also note that our offices remain closed, however both our registry and administrative staff are working from home with email access and forwarded phone lines so feel free to contact us anytime. There is a delay in processing any mail and payments by cheque or credit card so we encourage you to please pay any accounts via e-transfer.

As of April 28, the National Junior Show scheduled for July 31-August 2 in Neepawa, Manitoba has not been cancelled and our Manitoba Beef Round-up hosts are discussing options for some on-line platforms if we do have to post-pone the show - juniors, stay tuned for details on that over the next couple of weeks.

Moving forward into the fall, the Canadian Shorthorn Association is offering members the opportunity to partner with us in our advertising. You can have your farm and contact information listed in our ad in the Cattlemen's Fall Female Buyers Guide that is published in early Fall - the cost is \$100 and there is very limited space available so click [here](#) now to book your spot!
